## ***Rabbi's Message***

*Dear Friends:*

*The Talmud (Berachot 31a) teaches us that "a person should not pray in a room, unless if it has windows."*

*Commenting on this, the first Chief Rabbi of modern Israel, Rabbi Avraham Yitzchak HaCohen Kook, ztz"l wrote that this statement teaches us that a person must never close himself off from the world. That a Jew, even in the most religious of moments - even in the midst of davening - must be aware of the world; must see, with eyes wide-open, what is happening outside, and use that knowledge, those windows, to grow and become a better Jew.*

*This evening I am pleased to add my personal greetings to all of the supporters of our extraordinary shul, Congregation K.I.N.S. of West Rogers Park. But even more, I am honored to extend a measure of thanks to our honorees, Rabbi Larry and Elizabeth Feder, and our "Marbitz Torah" awardee Rabbi Michael A. Myers - people who not only represent the finest of Torah values, who lead and who teach Torah at K.I.N.S., but who work to spread those values throughout our community and to the world at-large.*

*For more than two years, Rabbi Larry and Elizabeth Feder have led our shul with distinction. They are exemplars of chesed and of communal involvement who we are so fortunate to count as our own. Both Larry and Elizabeth in their own quiet ways have made a real difference in the lives of so many - through their work for our shul, for the mikvah, for day schools, for the Ner Foundation, and all aspects of Torah. Without baalei batim like the Feders, K.I.N.S. would not be as strong and as vibrant as it is blessed to be, and our community would be lacking in so many ways.*

*For nearly fifteen years, Rabbi Michael Myers has taught a parshat hashavua class at K.I.N.S. Every Shabbat morning we are privileged to learn from one of our community's great mechanchim, a scholar of Tanach and a master teacher. Not only does he bring a vast knowledge of Torah sources to every shiur, but he also brings himself - a man who understands the lessons*

**מה טבו אהליך יעקב משכנתיך ישראל (במדבר כ"ד: ה)**

*of Torah for today, for our community and for the world in which we live. By allowing us to honor him, we are truly honored.*

*I thank Larry and Elizabeth, and Rabbi Myers for helping us celebrate another wonderful, productive year at K.I.N.S.. May G-d grant them and us the strength and the fortitude to continue to work on behalf of Klal Yisrael and Torat Yisrael.*

*Rabbi Leonard A. Matanky*

### ***President's Message***

*On behalf of the Board of Directors it is my honor to welcome you here tonight to recognize the achievements of our very deserving honorees. It has been my privilege to work alongside Rabbi Feder on the board for the past several years, and for the last 6 months as co-president. Both Larry and Elizabeth are wonderful role models of commitment and generosity. They graciously give of their time and energy without any fanfare. For the Feders it is only about doing what's right and what is best for our shul and our community.*

*Rabbi Myers' passion and erudition are evident with every shiur he presents. There is no greater testament to his talents as a scholar and teacher than the dedicated following he has built and maintained over the past 15 years.*

*I wish all the honorees many more years of continued success, health, and happiness.*

*It has been a year of growth for KINS. Last fall we were proud to welcome more than 20 new member families to our shul - and we hope to continue the trend this fall. In September we also welcomed Rabbi Daniel Kroll, our new assistant Rabbi along with his wife Shira and daughter Rayli. The Krolls have already had a strong positive impact on our shul by offering thought-provoking shiurim and drashot, planning innovative children's and family programming, and by sharing their warmth and hospitality with all. Rabbi Kroll's Sunday Morning breakfast shiur was an instant hit, with a devoted following of at least 10-15 people every week.*

*In addition to being a center for T'fila with several daily minyanim and four Shabbat minyanim, KINS is also a center for Limud Torah. We proudly host the YU Torah Mitzion Kollel in the evenings, and together offer more than 30 different shiurim throughout a typical week. Our*

## מה טבו אהליך יעקב משכנתיד ישראל (במדבר כ"ד: ה)

*Scholar in Residence programs bring in hundreds of people from our shul and the entire community. Our monthly "Loop Lunch and Learn" program has brought a taste of KINS learning to our members and friends who work downtown. Our Shavuot mishmar was attended by hundreds of people - and more people stayed all night and for the Vatikin minyan than any time in recent memory.*

*We are very proud that KINS participates in and hosts many different Chesed projects throughout the year. This past year we have joined together with Maot Chitim, the Chicago Chesed Fund, Simcha Weddings, Aneinu, the JUF, the Ark, Job Link, Packages From Home, Gush Katif Kallot Project and many other organizations and initiatives that help people in need in our community and in Israel.*

*Our children's, family, and adult programming have all been very successful - another sell-out Purim dinner, Sukkot, Tu B'shvat and Shavuot Kids crafts programs, and an amazing beach-front Cafe KINS to name a few.*

*All these programs succeed only through the dedication of our Rabbis, our board of directors, our Sisterhood, and our devoted event chair-people. I would like to thank our dinner chair-people, Cheryl and Stephen Karesh and Moshe and Shoshie Kahn for all their efforts in planning this evening's dinner. Thank you also to Rachel Neikrug and all the other volunteers that helped make this dinner a success. A special thanks goes to our office staff; Esther Porush and Tzippy Kalman. On behalf of the entire shul we again would like to thank Rabbi Larry and Elizabeth Feder and Rabbi Michael Myers for agreeing to be our honorees this evening. Thank you all for attending the dinner this evening and making it such a wonderful event.*

*Ari Engehlart  
Co-President*

### ***Sisterhood Message***

*The Sisterhood at Congregation KINS plays an integral role supporting our shul. Our events such as the Art Auction, Disposable Kitchen, Cafe KINS and more raise funds that go directly back to our members - whether it be projects such as helping renovate the shul or sponsoring other events to make them more affordable for our member families.*

*We are proud to share that this year our new Chesed initiative helped provide food for struggling families over Pesach, provided much needed funds to make weddings in Gush Katif, and provided toys for needy families over Chanukah, along with much more.*

*We are lucky to have a dedicated and hardworking group of people helping us - our Board of Directors, the chair-people for each event, and our excellent office staff. Thank you for helping the Sisterhood have such a successful year!*

*To the honorees-*

*Larry and Elizabeth - Thank you for your years of dedication to KINS. Our shul would not be the same without your support.*

*Rabbi Myers - Thank you for your tireless support of KINS. Our congregation is lucky to have such a devoted teacher.*

*May Hashem bless you all with good health and happiness.*

*Orah Katz and Devora Sorscher  
Co-Presidents*

### ***Message from the Dinner Chairmen***

*Now that the dinner is actually here, the difficult part is over and the fun part begins. The first step is to say a two-part "thank you" to our honorees, Larry and Elizabeth Feder. The first thank you is because they have agreed to be honorees at the dinner tonight. Of perhaps more importance is that we owe a debt of gratitude to them for having worked tirelessly for years for the welfare of our Shul. They have set a wonderful example for our members. Since there will be words of praise about them this evening, however, we'll simply thank them very much for their efforts and for being the honorees tonight.*

*We also say a special "thank you" to Rabbi Michael Myers, who for 15 years has led a very well-attended weekly Chumash Shiur before Shacharis every Shabbos. It is a sign of devotion by both Rabbi Myers and the Shiur attendees that attendance is totally unaffected by the temperature, the snow level, or the amount of rainfall. We hope this Shiur continues for many more years.*

*The committee has once again done a great job of planning tonight's dinner. Special thanks for a "job well done" go to committee members, to Co-President Ari Engelhart for preparing the video; to Rachel Neikrug, Special Projects Coordinator; to Moshe Kahn for serving as Master of Ceremonies; to Larry Engelhart who volunteered his services as our official photographer; to our caterers David and Meir Segal; to Rabbi Matanky for his sage advice; and to the many people who participated on the telephone squad.*

*A very special "thank you" also goes to our office staff Esther Porush and Tzippy Kalman for handling dinner-related business in the office and for typesetting the entire ad journal. Not only is it a big job, but a job well done.*

*Our thanks also to all of you for coming to the dinner tonight to show your support of our Shul and your appreciation for the outstanding job done by our honorees. This is a well-deserved honor for them all.*

*Moshe and Shoshie Kahn*

*Steve and Cheryl Karesh*
